Southwest Missouri  
Spring Forage Conference  
February 21, 2023  
Oasis Hotel and Convention Center  
2546 North Glenstone Ave., Springfield, Mo 65803

The 2023 Spring Forage Conference Vendor registration is now open!!!!

We are so honored that you have considered joining us again this coming February 21, 2023 at the Oasis Hotel and Convention Center in Springfield, MO for our annual Spring Forage Conference. If you have attended in the past, then you have already received a letter prior to this. If you are new to our conference, welcome and we hope you will continue to come back year after year.

There is a multitude of topics during this year's conference, but our overall theme this year gears towards Doing More with Less. Our keynote, John Locke will be a great addition to this year's conference, as he is sure to draw a crowd. Should you have any questions, feel free to call or email me anytime. Your registration form is attached to this letter, and is also available online <http://springforageconference.com/>

**John Locke:** A sixth generation member of the JD Hudgins Inc. Ranching Operation on the Texas Gulf Coast. This innovative rancher will be speaking to our audience this year about making the best out of what you have, how it is possible to do more with less. His life story and farming background has taught him these life lessons, along with his time becoming a certified instructor with Dave Pratt and the Ranching for Profit Schools. This 6<sup>th</sup> generation Brahman seed stock operator will surely have a lot of wisdom to share with our audience and teach us how to have fun and find financial reward while building a legacy for our generations to come.
